Adventurous Inuit brother-sister duo Putuguq and Kublu are back for another installment of their popular graphic novel series for beginning readers. The story is set on the shores of the frozen Arctic and is rich in folklore and local culture. The excitable siblings contemplate the likelihood of encountering a *qalupalik*—a green-skinned shape-shifting creature of legend known for capturing wayward children by the icy seaside. Colorful panels showcase big imaginations and a fun-loving community far to the north.
