Rosa's dinosaur action figures run, fly, gather sticks, sit on eggs, splash around in the bathtub, and even listen to bedtime stories, encouraging creative play in young paleontologists everywhere. In a pretty purple dress and yellow-framed glasses, Rosa uncovers fossils and reads about herbivores and carnivores with her diverse group of friends. They clutch brightly colored pterodactyls, stegosauruses, and the always popular T. rex, proving that dinosaur adventures can be fun for everyone.
