Beranbaum's latest writing assignment was to inspire a love of cake baking in a new generation of young cooks. No small task, to be sure. But she's written 8 books already, including *The Cake Bible*, one of the most successful cookbooks of all time (38 printings). Beranbaum is also a popular guest on major television shows like *The Today Show*, *The Early Show*, *Martha Stewart*, *Charlie Rose*, and might just be "most meticulous cook who ever lived," if we can believe the *New York Times*. With such experience, it's hard to imagine the kitchen ever getting too hot for her. *Rose's Heavenly Cakes* offers 104 recipes helped along by instructional photographs and illustrations, precise instructions, and enough hints, suggestions, wisdom, and detail to last a lifetime. Confidence is indispensable to bakers of all levels and Beranbaum serves it up in bowlfuls.
