From the first snowfall of the year to the sprouting of spring, *Snow Days* walks through the magic of winter in charming rhyming couplets. Meticulous paper and fabric cutouts form illustrations that seem to leap off of the page, with the fuzzy brim of a child's hat and embroidered thread of another's scarf conjuring up the cozy sensation of bundling up for an outdoor romp. Closing activity prompts, like using sandbox toys to make snow castles, will keep the fun going all season long.
