

Snutt the Ift: A Small but Significant Chapter in the Life of the Universe

Helen Ward

Little Pickle Press (September 2011)

Hardcover \$18.95 (42pp)

978-0-9829938-4-2

Snutt voyages to a distant planet to discover what he can—wonderful tuffetills, blossibums, and flewimols—only to find that he's terribly lonely away from home. When he eventually meets a Waft, with whom he can share his beautiful surroundings, Snutt learns the meaning of contentedness. Gorgeously detailed illustrations. All ages.
