Minim is a mouse who loves music and cheese. In this adventure, he runs through a cold Venetian night to perform the duties of a tooth fairy at a girls' school—but he doesn't expect to run into a cat! While escaping, he happens to hear the great Vivaldi direct a movement of *The Four Seasons*. The book's cheerful cartoon illustrations are complemented by a narrated reading (with music); it's available for download, and on CD in the book's back flap.
