*Special You* is about a little elephant named Little Why. As he travels with the other elephants to a watering hole, he meets several interesting animals and wishes that he had long legs, spiky horns, or a snappy snout like they do, but he soon learns that he is special just the way he is. The story is accompanied by vibrant collage illustrations of elephants, giraffes, a crocodile, and a wildebeest. Children ages two to four will learn the very important lesson that everyone is special, even a crocodile.
