Cursed to transform into a hare whenever she hears a barking dog, Molly has been desperately seeking a cure. Now she's back, with old friends and new, in *The Shapeshifter's Guide to Running Away*, book two in Lari Don's magic-infused Spellchasers trilogy, set in the fantasy-rich wilds of Scotland. With the help of a dryad, a kelpie, a sphinx, and a magician, the mystery of the worsening curse and missing spell casters continues.
