As the second book in a series, *The Attack of the Giant Stink Bugs* builds on the foundation of Chinese Prince Ru-Lan's precious kindness as he is gifted the ability to converse with insects by the magical woman he cared for when she was hexed and in the form of a rabbit. His special skill and ingenuity come in handy when magically enhanced giant stink bugs begin feasting on his village's crops. Detailed illustrations and Chinese words bolster the enjoyability of the story. Ages five and up.
