The Magical Rooster tells the story of Tang Yun, who must travel a long way to the capital city to take the Imperial Exam. Distressed by the idea of her son traveling thousands of miles, his mother embroiders a rooster on her son's clothing to watch over him on his journey. Whenever he is in need, the rooster comes to life and protects him. The story is beautifully told and illustrated and reflects Chinese culture and style, with the text written in both English and Chinese. Intended for children ages four to eight, it will be appreciated by all ages.
