Dawn breaks in a brilliant display of color and light as “the Painter” adds a splash of pink and a dash of yellow to the delight of a variety of silhouetted families greeting the early morning. Look for over a dozen hidden paintbrushes—one in each city, country, or seaside landscape set against the vibrant, shifting hues that tell the story of God’s love for all the world, but most importantly, the people in it.

PALLAS GATES MCCORQUODALE (November/December 2018)
