When Moose hears of a meeting of the Secret Fairy Club, he's ecstatic to join in the fun. He arrives to find all the other members are smaller creatures, though, and some are none too welcoming. But when the clubhouse comes under attack, Moose rushes to help despite their rejection, and proves that he not only fits in: he belongs. A whimsical color palette and visible brushstrokes give this insightful story the feel of having been magically painted just before you turned the page.
