

The Most Magnificent Thing

Ashley Spires

Kids Can Press (Apr 1, 2014)

Hardcover \$16.95 (32pp)

978-1-55453-704-4

The most magnificent invention in the world can only take shape with balanced doses of creativity, hard work, and patience. With the help of her canine assistant, this daring perfectionist sets to work, tinkering and fiddling, measuring and adjusting, but she just can't get it right. Her goofy, brilliantly paced journey is rendered through emotive images that all kids can relate to as they witness her artistic process. Ages four to eight.

AIMÉE JODOIN (Summer 2014)
