nubeOCHO (Jun 15, 2021)

Hardcover \$15.95 (44pp)

978-841767380-2

Crayon-like illustrations and a cool palette with spots of yellow and pink portray this mischievous take on why elephants are afraid of mice, available in English and Spanish editions. The mice have grown tired of the elephants never looking down. They come up with a creative solution: to make the elephants sneeze. With the help of some bats and spicy peppers, the mice ensure the elephants will watch where they step from now on.
