Experience the magic of the One Story, Many Voices series that celebrates the diversity and harmony found in our global heritage. In this second installment, travel to ancient Persia for a retelling of the Iranian legend of the mythical phoenix. Bold colors and textures pop, while traditional instruments accompany a free audio version available online. Reed flutes, zithers, lutes, dulcimers, and a Kurdish drum each represent a character from the tale, creating a culturally accurate, multisensory experience.
