

★ **The Rhythm of the Rain**

Grahame Baker-Smith

Templar (Aug 20, 2019)

Hardcover \$17.99 (40pp)

978-1-5362-0575-6

Emptying a jar of water into a mountain pool, Issac imagines the journey it might take as it flows into tranquil streams, winding rivers, city canals, and murky ocean depths, or as it mists into a cloudy sky and falls down to earth in drops of rain. Sweeping landscapes show glimpses of Isaac aboard a tiny boat as the scene transforms from serene to dramatic. A striking use of color and light results in a beautiful visualization of the water cycle.
