Snowflake is anxious for the day it can fall to earth and share in the wonders it can see. Inkdrop longs to be a part of the artist's drawings. When a sudden wind brings them together, they will both discover a new world. *The Story of Snowflake and Inkdrop* is elegantly told and beautifully designed. Stunning illustrations and creative laser cuts allow the reader to share the perspective of both characters. It is appropriate for all ages, and will be a joy to those who appreciate books as works of art.
