A dapper young tyrannosaurus stumbles about in a hilarious attempt to go about his day without his much-needed spectacles. Contemporary meets prehistoric in lively rhyming verses and playful illustrations that highlight T-Rex's pleasantly preposterous escapades as he dons a necktie and trousers, accidentally eats his brother's sock for breakfast, and mistakes an owl for a towel. In this story full of fun and good humor, follow along as T-Rex loses, finds, and loses his glasses again.
