

Time Flight

Susan Syers Stark

Leaf Storm Press (December 2014)

Softcover \$14.95 (246pp)

978-0-9914105-5-2

His mind perpetually drifting where his creativity and optimism take it, distracted Anthony one day follows a paper airplane into a portal that takes him into another universe. Like Alice in Wonderland, Anthony's quick-changing, ridiculous adventures and the bizarre creatures he encounters teach him how to find balance between his strengths and weaknesses in order to succeed. His love of big words and books provides a sly message about paying attention in school. Ages eight and up.

AIMEE JODOIN (Winter 2015)
