A cavalcade of characters brings a parade of color—and a little chaos—to this whimsical story about a dog determined to complete his masterpiece. Van Dog heads out into the countryside intent on painting a landscape; the frequent interruptions seem to vex him, but artistic inspiration can be a funny thing. Robots, vampires, giant lizards, and every color of the rainbow populate the playful illustrations of this delightful book.

DANIELLE BALLANTYNE (November / December 2022)
