Politics can be fierce. A little gray mouse stirs all the animals up when she questions the lion's uncontested reign as president. Colorful campaigns and comically depicted assemblies are filled with beasts promising a variety of questionable changes, from unlimited mice to eat and fresh water to ending wool shearing and knitting. Through this clever social commentary with humorous lessons on compromise and coexistence, the mouse and the lion will inevitably garner excitement this election year.

PALLAS GATES MCCORQUODALE (May / June 2020)
