This wordless picture book captures the good, the bad, and the damp of owning a dog. Kid would rather play video games than take Dog for a walk on the best of days, let alone a rainy one. As their soggy escapade continues, though, Kid learns that a dog's life isn't so bad. The rich, gloomy blues of the storm give way to bright spots of warm colors as Kid opens their mind to the joys even dark days can bring.
