

Watch This! A Book About Making Shapes

Jane Godwin

Beci Orpin

Hilary Walker

Scribble (Mar 4, 2020)

Hardcover \$16.99 (32pp)

978-1-947534-99-5

Grab a friend—or two or three—and challenge yourselves by bending, stretching, and twisting into a variety of geometric shapes. Color photographs show a multicultural team of smiling children working together, using their fingers, hands, arms, legs, and whole bodies to create basic shapes like squares, triangles, diamonds, and stars. With this interactive guide that encourages healthy, creative play through imitation, just follow the examples to shape up, or practice identifying sight words and patterns.

PALLAS GATES MCCORQUODALE (March / April 2020)
