Katie and Joe are altar-bound in *Weddings Can Be Murder* (Dorchester 978-0-505-52731-8) but their plans hit a snag when the wedding planners killer locks Katie in a room with a sexy private detective. Carl has given up on women but he finds Katie irresistible. Meanwhile Katies fiancé and her best friend Leslie are left to search for her as they also fight their attraction to one another. When the crisis is over each character is left to think about what they have been running from and decide how to move on. By Christie Craig this one is pure guilty pleasure.
