John Muir

Giovanni Manna, Illustrator

Creative Editions

Hardcover (32pp)

978-1-56846-347-6

As likely to charm grown-up John Muir acolytes as it is to win new, little ones, this is a dreamy compilation of nature-exultant quotes from the celebrated writer and Sierra Club cofounder. Each quote is illustrated with fantastical sketches that render Muir larger than life, alive in the landscapes that he lauded: trees sprout from his hands and stars dance at his feet as he awes that “we all travel the Milky Way together, trees and men.”

MICHELLE ANNE SCHINGLER (January / February 2021)
