A baby Ankylosaurus, born alone in the midst of a volcano, encounters a Tyrannosaurus Rex and assumes that the giant predator is his father. In this sweet story, the two dinosaurs form a bond that illustrates the true meaning of family and teaches a very important lesson: love transcends differences. The bright, stylized illustrations that accompany the text are both poignant and powerful, supporting the story and engaging young audiences from the first page to the last. Ages 4-8.

CATHERINE REED-THURESON (Winter 2016)
